

The River of Life

A Community Art Project

Build a boat, write a message and sail it down the river of life!

You are invited to create, build, & decorate as many simple paper boats that you wish. Your boat(s) will be part of The River of Life art installation. This installation is a free standing art piece that explores the perceptions of our lives and will be part of a larger gallery exhibition.

Los Angeles based artist, Farzad Kohan is known for his creative and original works of art. Farzad is inviting members of the community to participate in this installation by contributing their creative boats. The River of Life will be part of the exhibition **Laura Hipke, Farzad Kohan, Lois Ramirez: The Human Element** at the Brand Library Art Galleries, December 1, 2007 -- January 25, 2008.
